

IPA 30 - Minimalist Slimline Office Partition System

SERIES: IDA SERIES | SYSTEM CODE: IPA30 | EXTRUSION: EN AW-6063 T6

ENGINEERING 2D CAD PROFILE SCHEMATIC

| MECHANICAL & ARCHITECTURAL SPECIFICATION MATRIX |                                               | MANUFACTURING STANDARD |
|-------------------------------------------------|-----------------------------------------------|------------------------|
| Base Aluminum Alloy                             | EN AW-6063 T6 (Extrusion to EN 12020-2)       |                        |
| Frame Architectural Depth                       | 30 mm Ultra-Slimline Visible Profile          |                        |
| Sash / Vent Profile Depth                       | Minimalist Micro-Channel Glazing              |                        |
| Glazing Thickness Capacity                      | 8 mm - 12 mm Monolithic Tempered Safety Glass |                        |
| Thermal Barrier Insulation                      | Acoustic Rubber Gasket Clamp Seals            |                        |
| Air Permeability (EN 12207)                     | Interior Commercial Specification             |                        |
| Water Tightness (EN 12208)                      | Interior Commercial Specification             |                        |
| Wind Load Resistance (EN 12210)                 | Interior Non-Load Bearing Barrier             |                        |
| Acoustic Sound Reduction                        | Rw = 34 - 38 dB                               |                        |
| Maximum Sash Weight Capacity                    | 70 kg Glass Door Leaf                         |                        |

FABRICATION STANDARDS & QUALITY COMPLIANCE

- Extrusion Tolerances: Conforms strictly to EN 12020-2 / DIN 17615 high precision architectural standard.
- Surface Coating: Qualicoat Certified Electrostatic Powder Coating (60-80 microns) / Qualanod Anodizing (15-20 microns).
- Gaskets: EPDM weatherseals according to DIN 7863. Hardware groove: Standard European groove compatibility.
- Quality Management: Extruded and assembled under certified ISO 9001:2015 industrial manufacturing systems.

FACTORY DIRECTIVE: Official technical specifications verified for tender submissions, fabrication, and structural installation.
